

34th Winter Weekend & 71st Scientific Assembly | Rochester, NY | January 17-20

The student package covers conference registration, conference meals and one night hotel accommodation.

Students wishing to receive the student package must apply by completing the information below. The student package allows students to register for Winter Weekend for \$100. The \$100 fee includes conference registration, conference meals and 1 night at the Hyatt Rochester (dual occupancy). All students must be AAFP members (and therefore automatically NYSAFP members) to receive the student package.

All applications must be received by November 5.

Selected students will be contacted November 16 and are responsible for making their hotel reservations by December 28. Students are expected to room with a roommate. (The hotel will have a set number of rooms reserved for students; one night NYSAFP will cover, the other night is the students' responsibility).

Please complete the information below by November 5. NYSAFP will contact you by November 16.

Name:

email:

School & Year:

1. What fields of medicine are you interested in / are pursuing?
2. Please provide a short paragraph of why you are interested in attending Winter Weekend.
3. Please briefly describe [300 words] any of your community activities relevant to family medicine and/or your interest in patient-centered family health care.
4. Any additional comments (background education, reason you are in the field of medicine, etc.):
